11 Maximum number of printed pages per month can be used to compare designed durability between like Brother products. For maximum printer life, it is best to choose a printer with a duty cycle that far exceeds your print requirements.
12 The recommended range of monthly printed pages to achieve the best possible performance and printer life. Printers are intended to handle occasional usage beyond this range with little or no effect. Consistently printing above the recommended print volume, however, may adversely affect the print quality or life of the machine. It is always best to choose a printer with an appropriate recommended print volume to allow for any anticipated increase in printing needs.
13 Approximate toner cartridge yield in accordance with ISO/IEC 19752 (letter/A4).
14 Approximately 75,000 pages based on 3 pages per job and 45,000 pages based on 1 page per job (letter/A4 simplex pages). The number of pages may be affected by a variety of factors including but not limited to media type and media size.

WHY NEXT LEVEL

1. **Advice first.** We start with how your business uses print today, including machines you may want to keep.
2. **Preferred Toshiba and Sharp dealer.** New and pre-owned copiers, printers and multifunction printers (MFPs).
3. **One partner.** Sales, leasing, rentals, repair and maintenance, and managed print services.
4. **Real numbers.** No blind quotes. A quote is built from your current devices and monthly black-and-white and color volume.
5. **Here for the long run.** We stay with clients for the life of the relationship.

FREE LEASE REVIEW

Not sure what your current copier lease is costing you, or what to do when it ends? We'll review your lease and walk you through your options.
